WORK EXPERIENCES

Frontend Intern | Internship

Aug 2025 - Nov 2025

Infosys SpringBoard

Remote • India

- Developed React components for complaint submission and status tracking, integrating REST APIs to display and update issue data.
- Integrated Leaflet-based location mapping to allow users to associate complaints with geographic coordinates.
- Built data visualization dashboards using Recharts for monitoring complaint status and category distribution.

Technologies : HTML, CSS, JavaScript, React, Figma, Github, Leaflet, Recharts, Postman

PROJECTS

Shroomify | [Live Demo](#) [Github](#)

- E-Commerce Platform for oyster mushrooms enabling users to browse, search, and purchase products through a responsive, user-friendly interface.
- Built a responsive e-commerce application using React and TypeScript with reusable product components, search/filter functionality, form validation, and API-driven product management.
- Technologies :** React, Javascript, TailwindCSS, TypeScript, Canva

Clean Street Project | [Github](#)

Frontend

- Developed a React-based user interface for a civic engagement platform.
- Enabling citizens to report and track local public infrastructure issues such as potholes, garbage dumps, water leaks, and broken streetlights through intuitive forms, photo uploads, and GPS location integration.

Technologies : React, HTML, CSS, Javascript, Leaflet, Postman, Figma, Github

SKILLS

Programming Languages : JavaScript, TypeScript, Html, CSS

Frameworks : React, Tailwind CSS

Backend : Node.js, Express.js

Databases : MongoDB

Tools & Platforms : Postman, Figma, GitHub, Git

Languages : English, Marathi, Hindi

EDUCATION

Hi-Tech Institute of Technology | Chhatrapati Sambhajanagar

B.Tech. in Computer Science & Engineering | CGPA: 7.0/10

CERTIFICATIONS

Entrepreneurship Development Programme | [Link](#)

Feb 2024 - Mar 2024

MSME Technology Centre, Indo German Tool Room

Publication in International Journal | [Link](#)

International Journal of Scientific Research in Science and Technology (IJSRST)

INTERESTS

- Enjoys listening to podcasts & music
- Finds joy in singing & reading
- Plays console games
- Expresses creativity through drawing

EXTRACURRICULAR ACTIVITIES

NSS Committee Volunteer

Hi Tech Institute of Technology

2024 - 2026

- Dedicated 3 years to volunteering with NSS, engaging in community service and leadership activities.

Chh. Sambhajanagar

AWARDS & ACHIEVEMENTS

Maharashtra State Skills Competition (IndiaSkills 2025–26) (State Level)
